

K-LOVE Christian Radio is a very POSITIVE ALTERNATIVE which helps get my day started on the right track. Unlike the other GARBAGE on the airways. I request you NOT allow the LPFM expand and take priority over current FM translator services.. There is only one other Christian type signal in my area and I switch back and forth between them.. Please allow K-LOVE 90.1, 93.1 and 104.3 to stay on the air.. THANK YOU in ADVANCE..
